Strategic Map

Vision: E3 — Empower Everyone Everyday

PRIORITY 1: Strengthen Teaching & Learning

Objective: Ensure high-quality curriculum and instruction that meets the needs of all learners.

Key Actions:

- Implement a strong, student-centered staffing and instructional model
- Focus on foundational literacy (decoding & fluency) and math achievement
- Use small-group instruction and targeted interventions

How We Measure Success:

- Growth in reading and math (ACAP & benchmark assessments)
- Reduction in achievement gaps
- Positive teacher and staff feedback

PRIORITY 2: Build Strong School & Family Partnerships

Objective: Increase engagement, communication, and collaboration with families and stakeholders.

Key Actions:

- Strengthen communication systems between school and home
- Increase opportunities for parent involvement
- Improve responsiveness to families

How We Measure Success:

- Increased daily student attendance
- Reduction in discipline referrals
- Increased parent participation (events, conferences)
- Positive parent survey results

PRIORITY 3: Expand Technology & Learning Environment

Objective: Provide students and teachers with access to high-quality tools and resources.

Key Actions:

- Increase student access to instructional technology
- Equip classrooms with effective instructional tools
- Support teachers in using digital resources

How We Measure Success:

- 1:1 student-to-device access
- Increased use of digital assessment tools
- Improved student engagement
- Fully equipped and technology-supported classrooms

OUR COMMITMENT (H.O.W.L.)

At D6, we expect all students to:

- **H** - Keep Hands and Feet to Yourself
- **O** - Own Your Actions
- **W** - Watch and Listen
- **L** - Lean into Learning

What This Means for Students

- Stronger reading and math skills
- Safe and supportive learning environment
- Engaged classrooms with modern tools
- A school that partners with families

One-Line Summary

"At D6, we empower every student every day through strong instruction, meaningful relationships, and engaging learning environments."
