

Memorandum of Understanding

WHEREAS the Wilton-Lyndeborough Cooperative School Board and the Wilton-Lyndeborough Certified Teachers Association are parties to a Collective Bargaining Agreement that currently sets forth terms governing parent-teacher conferences; and

WHEREAS the Administration has requested that the Parties deviate from such terms per the request of administration;

THEREFORE the Parties agree to the following procedure that shall supersede the relevant provision in the Collective Bargaining Agreement for the 2026-2027 school year and which may be renewed or modified on an annual basis by written agreement of the Parties:

Each building within WLCSD (WLC, FRES, and LCS) will schedule two conference days that follow the normal school day, running from 3:05–6:50 p.m. each day, with a 30-minute meal break. Dates will be determined by building administration and submitted by September 1st, similar to professional development scheduling, ensuring a total equivalent of **7 hours and 30 minutes**. Additionally, in recognition of the full day of work being completed across those two afternoons, teachers will receive a **compensatory day** to create a three-day weekend.
