- We agree for the student to enroll in the Dual Enrollment Program in partnership with the high school and postsecondary institution.
- We understand that the high school representative will approve all course selections each term.
- We acknowledge that all prerequisites, including assessments and course placement requirements, must be met prior to enrollment.
- We agree to follow all high school and postsecondary institution policies, procedures, and codes of conduct.
- We commit to working cooperatively with both institutions to fulfill all student responsibilities.
- We understand that all courses taken and grades earned become a permanent part of the student's high school and college record.
-  **Summer Term Responsibility:** We understand that during the summer semester, high school staff may not be available. Therefore, it is the **student's responsibility** to request to drop or withdraw from courses by applicable deadlines.
- We acknowledge financial responsibility for all tuition, fees, and books if not covered by the high school or funding programs.
- We understand that courses taken on the LSCPA campus or online may include a mix of dual credit and traditional college students.
- We certify that all information provided is accurate and truthful.
-  We understand that any false or misleading information may result in immediate cancellation of registration.
