Swing, Swing, Swing your clubs all down the green

FRESHMEN INTRODUCTION: Sweet Caroline // Neil Diamond

*Cheer: The Marian Open is for you and me
But our golfers need a glove, a ball and a tee*

- 1) Where it began
- 2) First Year at Mar-i-an

Cheer: Candyland will share a treat
We hear their gumballs are super sweet

Cheer: Freshman Golfers! We have an idea, what if our Sisters help make our golf equipment appear?!

This club of mine ((ba, ba, ba)
Made of cardboard, not of wood (not wood, not wood, not wood)
I've been inclined (ba, ba,ba)
To learn how to swing it good (so good, so good so good)

We have the club safely packed
But we really need a ball to whack

Sweet

FRESHMEN TRANSITION SONG: Ride with Me // Nellie

FRESHMEN TO JUNIORS SONG #1: How Far I'll Go // Moana

Teeing Off!

Junior Candyland
Help us with our swing,
We'll be satisfied when we finish this course
but the voice inside is a penalty stroke
can the jun-iors help-

See juniors can give us their gumball
cause we ne-ed a ba -all
and it seems like it's calling out to us, so the jun-iors
Just let us know
What's beyond this hole, can we make our swing

Cheer: Try the 27 iron!

*The gumball was just the thing
To help us make our golf club swing
We're getting better thanks to you,
Will you make us a team of two*

FRESHMEN TO JUNIORS SONG #2: Unwritten // Natasha Bedingfield

Taking our first swing,
Then realized we aren't ready.
Juniors,
you gave us something to help us
start the journey,

we' re reaching for the fairway
in the distance
so close we can almost drive it
Release our hesitations
Feel the swing in our hands

No one else can take it for us
But you helped us make it happen
no one else, no one else,
can play the shot that we planned

Got our golf ball from our sisters
all we needed was your help
today is where it all begins
our first swing is now in motion

Found candy instead of our pleats

Took a lo-ok in the mirror and cried

SENIOR CONCLUSION SONG #2: Landslide // Fleetwood Mac & From Now On //

The Greatest Showman

Well we've been afraid of leaving
Cuz we know that we'll miss you
Our sisters grow closer
And the spirit gets fuller
But we want to stay with you
Oh we want to stay with you
saved the spirit now it's found
changed the villains all around
And if you see our reflection down on Baxter floor
Just call us when you need help
Oh call if you need help

From now on your eyes will not be blinded by the dark
From now on
From now on
From now on

And we will come back home and we will come back home
to save again!
And we will come back home and we will come back home to save again!
And we will come back home and we will come back home to save again!

Cheer: Now let's go save the world!
