## Title

Georgia Student Technology Competition Champions

## Requested Action

School Board Recognition of Georgia Student Technology Competition Champions

## Summary Explanation and Background

Seven Cherokee County School District students earned honors at the Georgia Student Technology Competition! CCSD students earned the opportunity to compete in this month's statewide event by winning first place at regional competition. The annual contest invites students in grades 3-12 to create projects in a range of real-world technology industry categories such as animation, multimedia applications, and 3D modeling.
