

Bus parking and drop-off information

The Snohomish Aquatic Center is committed to providing a safe, organized, and welcoming experience for all guests attending events and swim meets.

Due to limited on-site parking capacity and the need to maintain safe traffic flow for all visitors, **we are unable to accommodate bus parking on-site.**

Bus drop-off information

Buses may drop off students and participants in the main loop near the front entrance doors. This designated area is marked on our parking map with a bus icon for easy reference. After drop-off, buses must promptly exit the loop to maintain traffic flow and ensure safe access for all guests.

Off-site bus parking recommendations

The Snohomish Aquatic Center is a Snohomish School District facility, and while on-site parking is not available, below are nearby district school locations where buses may park during events and swim meets.

From the Snohomish Aquatic Center- Maple Avenue Entrance:
