SWEET HOME CENTRAL SCHOOL DISTRICT

2026-27 Staffing Update

Tuesday, April 21, 2026
Sweet Home Board of Education

EVERY STUDENT, ONE COMMUNITY, READY FOR THE FUTURE.

Staffing is a Moving Target

- We continue to see increased levels of transiency in our District. While we are asking the Board to vote on a number, we can make shifts in staffing through the summer based on high needs.
- It can, and probably will change as we see the ebb and flow of enrollment through the summer. *If we need to add resources in one area, we will shift resources from another area to stay within our total budget.*
- By the start of August, if we notice an area of high need we will pivot quickly to address that area of need.

Class Size Comparison 2019 vs. 2026

*Target 18 in UPK – 1. Target 22 in grades 2-5.

AVG CLASS SIZES (NON-SCC)								
	GL		HH		MM		WR	
	2019	2026	2019	2026	2019	2026	2019	2026
K	14	15.3	17.3	21.0	16	17.8	20.7	20.7
1	15.3	14.5	18.7	18.0/17.7	17.5	16.0	19.7	23.3/23.7
2	15.3	20.7	19.7	19.7	17	22.0/22.3	19.7	16.3
3	20.3	20.0	20.5	24.3	23	21.8	18.3	16.717.0
4	18	21.0	19	19	18	19.0/19.2	18	20.3
5	18.7	16.0	17	19.7	20.3	21.0/20.8	18.7	22.7

Recommendations

- In total, with the addition of two special education teachers, a psychologist, and a speech therapist to staff our two new Kindergarten/1st grade 8:1:1 rooms, and the replacement/shift/transfer of retirements, the total number of faculty reductions of positions in the District is 1.6.
- Our recommendation to consolidate four sections at the elementary level (2 at Glendale, 1 at MM and 1 at WR) remains firm, for now, based on class sizes.
- The 1.6 reduction of faculty positions comes from the HS.
- We are amending our recommendation related to High School Art. Instead of a 1.0 reduction, it will be .6 reduction. This will allow us to run a full slate of classes in the department, including adaptive art.

Closing the \$2,097,822 Budget Gap

- We will continue to use attrition through retirement where enrollment/class sizes are low. This strategy helps us close budget gaps without laying off employees. Every person coming back in 26/27 will have a position.
- We now believe that if in future years elementary enrollment trends continue, that there are no more sections to consolidate. We will always look at staffing and make shifts to areas of need. Again, this will have to be a shift in resources and not an addition in resources.
- As teacher aides begin to turn over this spring, we will look for areas of absorption where an aide is not mandated by an IEP. We will use the summer to closely monitor our teacher aide needs and reduce where we see fit. It should not be a problem to reduce 5 to 8 teacher aide positions of the 110 we have in the District.
- We must be cognizant of the future threats of budget cuts at the federal and state level by looking at savings through retirements.

Summer School Proposal

- Offer reduced enrichment for MS (3 weeks) 4 days a week for 3 hours - each core 6-8 and Spanish.
- Offer reduced exam prep for HS (1-2 weeks) in a differentiated fashion based on individual student results on a particular Regents exam.
- Offer a full extended school year program (ESY).
- Graduating seniors would attend a credit/ exam recovery program at BOCES - meets state regulations for credit recovery (approximately 10 students).
- Eliminate elementary intervention general education summer school program.

Budget/Staffing Impact

- One admin can support both MS, HS and secondary ESY all located at the high school
- All together it is 5 weeks in the summer with no overlap of MS & HS, teachers can teach across programs if needed (July 13-Aug 19)
