BASH MISSION STATEMENT:

Established in 1971, BASH (Building A Scholastic Heritage) unites alumni, families and friends in a shared commitment to making Creighton Prep accessible to more than 1,000 young men from across the Omaha metro area. This year, Prep provided \$6.4 million in financial assistance to nearly 60 percent of our students and families. To help address that level of need, **every dollar we raise through BASH directly supports financial assistance.**

ON BEHALF OF THE 2026 EXECUTIVE COMMITTEE,
THANK YOU FOR ATTENDING THE 56TH ANNUAL
CREIGHTON PREP BASH.

By joining us this evening, you are helping keep the Creighton Prep experience within reach for every young man who seeks to share in this great tradition and become a Man for Others.

Our students come from a wide range of family income levels, represent more than 55 ZIP codes and arrive from over 80 sending schools. Your investment through BASH helps ensure these young men receive an exceptional education that prepares them for lifelong success and meaningful lives of leadership and service.

We are deeply grateful for your generosity and support of Creighton Prep and our mission.

Welcome to BASH 2026: The Bluejay Speakeasy “Opening Doors to Opportunity.” On behalf of all of us at 72nd & Western Avenue, thank you for joining us as we gather to open doors to opportunity for the young men of Creighton Prep.

A successful BASH is vital to supporting Prep students and their families—especially for the roughly 60 percent of our students who rely on financial assistance to develop their unique talents and gifts during their time here. Your generosity helps ensure that a Prep education remains accessible to young men who are eager to learn, grow and prepare for a lifetime of serving others.

Tonight, every action you take helps open another door for our students. Whether you purchase a raffle ticket (or three), donate online or in person

through raise-the-paddle, or place the winning bid on one of our incredible auction items, your support makes the Prep experience possible for so many deserving young men.

Our students continue to achieve remarkable success on some of the biggest stages available to them. Five seniors were named finalists in the 2026 National Merit Scholarship Program, while 114 Jr. Jays earned an extraordinary 328 Regional Scholastic Art & Writing Awards. Our Academic Decathlon team finished first in their region and second among large schools in state competition. Prep’s Ethics Bowl team also earned second place at the Nebraska regional, and in robotics, Team 16010 Astra Machina was named the 2026 Nebraska champion and will represent Prep at the FIRST Tech Challenge World Championship next week.

The swim & dive team claimed its third Nebraska state championship in four years, and the wrestling team won state for the second consecutive year. Also winning state titles were our cross country team, earning its second championship in three years, and our club hockey team.

Behind these impressive achievements have been the amazing, everyday moments that define a Prep education: exceptional teaching and learning, spiritual formation and a deep commitment to service. At the center of it all are our talented students, guided by dedicated faculty and staff who challenge and inspire them to become the men they are called to be.

And this is where you come in.

Without the generosity of supporters like you, many of these young men would never have the opportunity to walk through our doors to an outstanding Prep experience, and then go on to change the world.

Thank you again for supporting our students through BASH 2026: The Bluejay Speakeasy “Opening Doors to Opportunity.” We hope you will join us again next year for BASH 2027 on Saturday, April 24.
