2024-2025 School Accountability Report Card
(Published During the 2025-2026 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/.
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/.

2025-26 School Description and Mission Statement

School Information

Nestled in the foothills of South San Francisco, California, Sunshine Gardens Elementary School provides an ambitious and rigorous academic program for all students. Our work is guided by the South San Francisco Unified School District's three strategic priorities: Belonging, Literacy, and Mathematics. In partnership with families, community organizations, and local agencies, our staff shares a collective responsibility for ensuring that every student feels safe, supported, and challenged to reach their full potential.

2025-26 School Description and Mission Statement

To strengthen literacy and mathematics outcomes, Sunshine Gardens implements targeted instruction and intervention to meet the needs of English Learners, students receiving Special Education services, and other underserved student groups. Two Reading Specialists provide small-group literacy intervention and classroom support, while ongoing assessments such as DIBELS and IXL are used to monitor progress and guide instruction. Students who need additional support beyond classroom interventions are referred to the CARE Team (Compassion, Academics, Relationships, and Emotional and Social Interventions), which meets every six weeks to review data and coordinate academic, behavioral, and social-emotional supports. A Wellness Counselor also provides on-site counseling services and student support groups.

Fostering a strong sense of belonging is foundational to our school culture. Sunshine Gardens prioritizes positive relationships, inclusive practices, and social-emotional learning through PBIS and strong family partnerships. Stakeholder groups—including the School Site Council (SSC), English Language Advisory Committee (ELAC), and Parent Teacher Association (PTA)—play an active role in school decision-making. To support instruction and engagement, all students have access to a learning device for school and home use, and each classroom is equipped with modern instructional technology.

MISSION STATEMENT:

The mission of Sunshine Gardens is to prepare all students with 21st century skills and the foundation to become Global Citizens. The staff, families and community work together to create a safe and engaging environment for the whole child that ensures student success while building character and celebrating diversity. We encourage our students to be their best selves, and to reach their goals.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements

Sunshine Gardens Elementary School was built in 1934. The school has 31 teaching stations (7 buildings and 3 portables) providing education for grades TK-5. The District takes great effort to ensure that all schools are clean, safe and functional. All bathrooms, classrooms and offices are cleaned daily. District maintenance staff ensures that repairs are done in a timely manner. The facilities work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Architectural drawings were submitted to replace old aging portables with new modular classrooms during the school year of 2014-2015. Local Measure J Bond funds will be used with completion for students to occupy in the school year of 2015. This project has been delayed.

School Facility Good Repair Status
Using the most recent FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected - September 2025
- The Overall Rating: 94.61%

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Subject	School 2023-24	School 2024-25	District 2023-24	District 2024-25	State 2023-24	State 2024-25

2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2024-25 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2024-25 California Physical Fitness Test Participation Rates

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2025-26 Opportunities for Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

Our PTA President is Holly Anderson. The PTA continues to place a high priority on supporting our school community at Sunshine Gardens. Some ways are parents can become involved include:

- Monthly PTA meetings
- Monthly Campus activities
- School Site Council meetings
- ELAC meetings
- Coffee with the Principal Events
- Parent-Teacher Conferences
- Back-to-School Night
- New Kinder Parent and Student Play Date
- Harvest Festival/Parade
- Book Fair
- Open House/Talent Show
- Family and Literacy Nights
- School Garden Classes
- Ruby Bridges Walk to School Day
- Field trip chaperoning
- Portrait of a Graduate Meetings

To learn more about specific opportunities for getting involved, please contact the school principal, Ms. Leticia Gonzalez at 650-877-8784 or lmgonzalez@ssfusd.org

2025-26 School Safety Plan

Sunshine Gardens Staff reviewed the Sunshine Gardens School Safety Plan on 8/11/2025. School Site Council approved the plan on 9/09/2025. The School Safety Plan includes an overview of the school's current comprehensive safe school programs and initiatives as well as an annual action plan that addresses the four phases of an emergency planning: mitigation, preparedness, response and recovery. The plan identifies members of the school's emergency response team, roles and responsibilities, and lines of communications with the district's emergency response team. Emergency policies and procedures and the location and inventory of the school's first aid and emergency supplies kits are detailed. Each School Safety Plan incorporates the state's Standardized Emergency Management System and is aligned with the detailed District Emergency Management Handbook.

Professional Development

All teachers in the South San Francisco Unified School District have the opportunity to participate in formal, full-day professional development days scheduled as part of the district calendar. The staff development is a collaborative effort between district values, district-led work, and site-specific training and development.

Sunshine Gardens Elementary teachers collaborate every Wednesday to closely analyze assessment site-based, district, and state data. Staff development is scheduled bi-weekly on Tuesdays through faculty meetings and professional development sessions guided by administration, Reading Specialists, and teacher leaders. Sunshine Gardens professional development plan is focused on improving literacy through the use of The Write Tools, Structured Literacy Block, monitoring student progress through SST/RTI, Positive Behavior Intervention Systems, Professional Learning Communities, and school wide focus on data and small group intervention.

The Sunshine Gardens Teacher Leadership team collaborates as a faculty and staff to strategically focus on school wide implementations to increase student success. In order for Sunshine Gardens to see growth, all stake holders must collaborate fully, share practices, plan together, and look at data to inform instruction and interventions.

This table displays the number of school days dedicated to staff development and continuous improvement.
