

School Collaboration & Staff Support

- **Staff Support & Consultation:** Assisting teachers and staff in supporting student mental health needs.
- **Conflict Resolution:** Helping students navigate peer conflicts in a healthy and productive way.
- **Participate in IEP and 504 Meetings:** Supporting students with individualized education and accommodation plans.
- **Staff Trainings:** Providing ongoing training to ensure staff are equipped to support student well-being.
- **Monthly Newsletters:** Sharing helpful information, tips, and available resources with families.

Family & Community Support

- **Parent Contact & Communication:** Ongoing communication to keep families informed and involved.
- **Home Visits:** When appropriate, staff may visit homes to better support student needs.
- **Community Resource Referrals:** Connecting families with outside services such as counseling, healthcare, or social services.
- **Participate in Parent/Teacher Conferences:** Participation to support student success from both academic and emotional perspectives.
