

CRAYON RECYCLING DRIVE

Celebrate Earth Day!

Help us protect our planet by recycling your used crayons!

What to Donate:

- Broken crayons / Used crayons / Any color or size

Where to Drop Off:

- Collection box at Roosevelt School

When:

- Now through the end of the school year

Why It Matters:

When we throw crayons in the trash, they can take over 100 years to disappear! Recycling them helps keep our planet clean and turns them into new crayons we can use again.
