Dear Families,

On behalf of everyone at Alice A. Macomber Primary School, we are excited that you are considering our Preschool/Pre-K program for your child. We are honored to be part of this important step in your child's early learning journey.

At Macomber, your child's well-being, growth, and development are at the heart of everything we do. We provide a warm, nurturing, and engaging environment where children feel safe to explore, discover, and thrive. Our team of dedicated, certified Early Childhood Educators is passionate about fostering creativity, curiosity, and a lifelong love of learning.

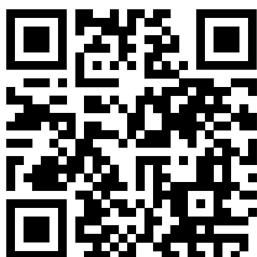

Our curriculum is thoughtfully designed to meet the unique needs and interests of each child. Through hands-on activities, play-based learning, and meaningful interactions, we support the development of social skills, independence, and a solid foundation for future academic success.

We understand that choosing a Preschool or Pre-K program is an important decision, and we are here to support you every step of the way. If you have any questions about our program, curriculum, daily routines, or to sign up for one of our small group tours, just contact us at 508-678-8671.

We value strong partnerships with our families and look forward to the opportunity to welcome your child and family into our Macomber School community.

Sincerely,

Stacey A. Duquette
Alice A. Macomber School Principal
