- There are no updates on the naming of the new road entering into LIMS at Gay Drive and Sea Island Drive.
- Our LIMS student government spoke at the February 17, 2026, BCSD board meeting. The students advocated the lecture theater being built alongside the new school. The students did a wonderful job representing their school.
- Our SIC has created two school goals. We decided to enhance our food pantry at school and to increase our parent involvement at LIMS. Our action plan steps are underway to accomplish these goals.
- Goal #1 Food Pantry update
 - ✓ Low Country Food Bank, students, and staff passed out 161 meals to families who pulled up with their vehicle and volunteers placed food in their cars. Our goal is to have the Low Country Food Bank distribute food to our families on a regular basis.
- Goal #2 Increase Parent Involvement update
 - ✓ Only seven parents responded to the climate survey last year. We are looking to improve from 7% to 25% completion of survey. The survey is open until April.

C. Browne gave the Principals Report

- On February 19th, our school held Cluster Arts Showcase. Our elementary feeder schools and LIMS showcased their art talents. The showcase highlighted Black History Month with performances in dance, art, band, theater, and chorus.
- Lady's Island Middle School was issued our ABC certificate for another three years.
- I READY testing for this spring will begin March 25th.
- SC READY testing window will begin May 4th.
- Our spring sports season is underway. Soccer, softball, and baseball seasons are underway. Our track team will partner with the BHS track team and compete at BHS this year.
- Spring break will take place from April 13-17.
