CONCUSSION BASELINE TESTING – ImPACT TEST

- These are baseline tests that are done for concussion protocol.
- Directions to complete the test:
At home on your laptop, iPad, or desktop – ImPACT testing information and instructions are included in the ARBITER REGISTRATION INSTRUCTIONS. **You will be required to upload a copy of your completion certificate or an exemption note from your physician.**
- If you have any further questions, please reach out to any of the athletic trainers for assistance. 610-250-2400 ext. 32207

SUMMARY

- ❖ Whether you are having your physical done by your private doctor or at a St. Luke’s physical event, **YOU MUST** upload a copy of the document signed by the doctor and complete your registration **by the above deadline.**
- ❖ The Athletic Training Staff needs time to review/approve your physical, so it won’t be marked “COMPLETE” immediately. It **WILL** be done by the official start date IF submitted by the deadline. If there is an issue, you will receive notice via roverkids email, (as will your parent/guardian) so check your emails regularly! Do not wait until the last minute so that we can address any issues **PRIOR** to the start of the season. Get it uploaded **EARLY!**
- ❖ Winter & Spring Athletes **ONLY** - If you already have a PIAA Physical submitted from a previous sport for the 26-27 school year, you will only need to log into your Arbiter Registration account and complete the **RECERTIFICATION by the above deadline.**
- ❖ Once again, your Arbiter Registration **MUST BE COMPLETED** by the deadlines listed above in order to be approved to participate!
