Title: Withdrawal from Technical School
Section: Students

I. Purpose

The Joint Committee affirms that while statute requires attendance of each student only between the ages of 8 and 17, it is in the best interest of both students and the community that students complete the educational program that will equip them with skills and increase their chances for a successful and fulfilling life.

II. Authority

The Joint Committee directs that whenever a student wishes to withdraw from EASTERN, effort should be made to determine the underlying reason for such action and all resources of EASTERN should be used to assist the student in reaching his/her career goals.

III. Responsibility

Final determination of student withdrawal from EASTERN is the responsibility of the sending school principal or his designee. EASTERN shall request the sending school to notify EASTERN within ten days with the reason for the withdrawal.
