Director Procedure Number: DC110
Title: Dress and Grooming
Section: Students

Dress and Grooming

There is no restriction on: hairstyle or manner of dress unless these present possible danger to the students' health and safety, cause an interference with work, or create classroom or school disorder.

Personal health and hygiene shall be such as to not endanger the health of, or be offensive to, others.

School behavior shall be such as to respect the constitutional rights of other students, insure a school climate conducive to learning and safety, and require a mature sense of responsibility on the part of students toward others and the school.

No student will be permitted to operate any machinery or equipment within shop and laboratory areas unless he/she is properly attired. This is to mean that all students will comply with all safety and health rules and regulations pertaining to that particular shop and laboratory. These rules and regulations will be posted in each shop and laboratory.

Expenses involved in physical examinations and clothing requirements for any shop or laboratory will be the responsibility of the students. Should a needy student require financial aid in the fulfilling of the necessary physical exam or clothing requirement, they are to request assistance from the Student Success Coordinator. It is EASTERN'S policy that no student will be deprived an education because he/she is disadvantaged.
