

Director Procedure Number: DC109
Title: Participation in School Affairs
Section: Students

Participation in School Affairs

1. Appointment of Student Representatives to Occupational Advisory Committee

Students in their senior year shall be appointed to the Occupational Advisory Committee (OAC) by the Joint Committee upon the recommendation of the applicable program teacher and the Assistant Director. The selections shall be based upon scholastic performance and shall be done by the Joint Committee in a manner to ensure that student participation is fairly representative of the whole student body, including a fair representation of the participating schools.
