

Director Policy Number: DC124
Title: Awarding of Certificates of Completion
Section: Students

Awarding of Certificates of Completion

A Certificate of Completion is awarded to a student who has achieved a final grade average of 70 or higher (or its equivalent), have completed all occupational competency requirements for a program career objective at the specified level of proficiency and graduated from high school or obtained a general equivalency diploma.

The Certificate of Completion shall not be conferred prior to the graduation of the student's high school class absent specific authorization by the Director.

The certificate shall signify the student's readiness for employment related to the identified career objective. The certificate shall identify the name of the career objective.

Irrespective of anything stated above, EASTERN will, at all times, act in compliance with all federal and state laws regarding the rights of students with disabilities.
