

# HARMON ADVENTURES

Enjoy all the adventures Harmon Park has to offer! Our talented staff will lead the young adventurers through the rock garden, play different games on the sport fields, go to the pool, do skits at the amphitheater, and much more! Fun activities include swimming, sports, traverse climbing wall, arts and crafts, and group games. On the last day of camp, campers will have fun preparing skits, enjoy an evening meal and stay at the park until 9:00pm.
