Dear Soon-To-Be Second Grade Parents,

Welcome to Second Grade! Earning ribbons is an exciting tradition at San Antonio Academy, and completing your summer reading log is a wonderful opportunity to earn such an honor.

Students who read 15 *qualifying* books over the summer and review the phonograms at least 10 times will be recognized during Chapel in the fall and will be rewarded with a ribbon at that time.

To complete the summer reading, your son should read at least 5 books from the recommended reading list (enclosed) and **10 additional books of his choice**. Both the 5 required books AND the 10 additional, self-selected books must be recorded and turned in to earn the ribbon.

To complete the phonogram portion of this list, you will initial each time you and your son review all the phonograms.

The parent/student must complete the enclosed form and return it to his teacher the first week of the new school year. We are looking forward to a great year with our students!

Happy Reading,
The Primary Team
