

Hello,

My name is Chris Rosenbergen and I am running for reelection for the Millbrook Central School District's Board of Education. I have been a school board member for approximately 6 years. I currently live in Pleasant Valley with my wife and two daughters.

The students of Millbrook are truly amazing and deserve the best learning options, best safety available, a great support system and top-notch educators. We should continue to focus on a higher education without losing touch with those students who are struggling. While we look to get the best programs for our high honor students we need to find better ways to raise up those who are having difficulties each day.

I have worked in the financial field for the past 33 years and I'm currently the 1st Vice President of Retail Lending and Financial Services at Ulster Savings Bank. I have sat on boards with the United Way, Millbrook Educational Foundation and the American Bankers Association. This experience has taught me how to work with others to get things done. I truly enjoy educating, managing and growing success. I firmly believe that my personal achievements have come from the ability to listen, have an open mind and do what's best for those involved.

I hope you will grant me this wonderful opportunity to continue my service on the Board of Education so I can use my background to fix what's broken, enhance what's not and to prepare our children as individuals. I'm a parent who simply wants to make a positive difference in the lives of our children.

Sincerely,
Christopher Rosenbergen
