

WELCOME TO A NEW SCHOOL YEAR with Quest Food Management Services

Our Partnership

Quest is proud to be your dining partner for the 2025-2026 school year, and we are committed to providing nutritious meals to your community! The wellness of students is our top priority and we encourage healthy choices and a love of good food every day. Quest stands apart as an organization that values relationships, and our core values of Integrity, Responsiveness, Accountability, Respect and Excellence inform everything we do.

Our Food Philosophy

Quest prioritizes the health and wellness of every student by cultivating chef-crafted recipes containing the highest quality ingredients, and our team of culinarians use scratch cooking skills and thoughtful sourcing to serve flavorful, nutritious food. Our meals start with fresh ingredients like cage-free eggs, seasonal fruits and vegetables, 100% hormone-free milk, lean proteins and whole grains, all helping to bring nutritious options to every student's plate.

View Menus with MySchoolQuest

To start, visit www.myschoolquest.com and search for your school or district name. No login is necessary!

View weekly and daily menus by visiting the "View Menus" page and click on specific items to view nutritional information and allergens.

Get information on loading funds by visiting the "Load Funds" page and learn how to get set up, load funds to your student's account, and access features such as auto-pay.

For specific information on the program at your school, visit the "Your Program" page and see service hours, meal pricing, learn what's in a meal, and more.

For more information on Quest,
visit us at www.questfms.com!

Allergen Information

Icons for the top nine allergens are visible in our dining areas at points of service and allergens are also listed with corresponding menu items in MySchoolQuest.

Our full allergen statement can be found at: www.questfms.com/allergens.

Tour the MySchoolQuest Site

Watch a step-by-step video walkthrough of the MySchoolQuest website: how to find your school, view menus, and more!

Questions On The Program?

Visit the MySchoolQuest website and go to the "Your Program" page to meet your Manager and reach out to them via the contact form if you have questions.
