6th Grade SUMMER READING LIST

- You are required to read *Refugee* by Alan Gratz.
  There will be an assessment on this book in the *first week of school*. Please read carefully. Trust me, AI will not help you with this. Reading this book yourself (maybe even listening to it at the same time) is best. Have integrity.
- You are required to read two other books from this list.
- You are required to turn in your summer reading log (on pg. 3).
- You MAY earn Summer Reading Medals by reading additional books (details on pg. 3).
- If one book from a series is listed, you may read ANY book in THAT series. You may also read multiple books from the series.
- Graphic novel versions of books on this list *do not qualify* for the three required summer reading books.
- You are not required to bring summer work on the first day of school. Summer work will be due in the second week of school.
- See attached Summer Reading Project for requirements and instructions.
- If you have any questions, please feel free to email Mrs. Briseño at kbriseno@sa-academy.org.
