Honor Alternate Enrollments

- In the latter half of 2025, in SchoolTool Version 22.4 we released updates that honors Alternate Enrollments in new areas
 - Attendance > Attendance Reports
 - Aggregate Report
 - Period Attendance Report
- We will continue to expand where Alternate Enrollments is offered across SchoolTool

▶ Alternate Enrollments

Aggregate Report

- The Aggregate Report, found in **Attendance > Attendance Reports**, has a new checkbox prompt available on the pre-screen: "**Show Alternate Enrollment Grade/Homeroom**".
- When the "Show Alternate Enrollment Grade/Homeroom" prompt is checked, the report will now also display relevant Grade/Homeroom data from alternate enrollments that corresponds to the building school level(s) for which the report was run.

- Once a session is committed, you will be alerted of any possible matches that already exist on your site
- User Defined Screen (UDS) error messaging has been updated. When there is a conflict between submitted UDS forms, the following error message will appear in red highlight
- The upcoming beta is focused on the parent experience

Online Registration

The screenshot displays the 'Online Registration' web application. On the left is a sidebar with navigation links: Home, Census, Search, Registration (highlighted), and Help. The main content area is titled 'Registration' and contains two tabs: 'SUBMITTED STUDENTS' and 'BULK REGISTRATION' (which is active). Below the tabs are search filters: 'Student Name' (text input), 'Submitted Between' (date range selector), and 'Status' (dropdown menu set to 'Pending'). A '+ NEW BULK UPLOAD' link is visible. A modal window titled 'Upload Bulk Registration File' is open in the center. It contains the text: 'Select a file to upload and bulk enter students to be submitted for registration. Acceptable file types: .csv, .xls, .xlsx, .txt'. Below this text is a file selection area showing a 'Choose File' button and the filename '2024-25-SummerSchoolRoster.csv'. At the bottom of the modal are 'UPLOAD' and 'CANCEL' buttons. A large 'DEMO' watermark is overlaid on the background.

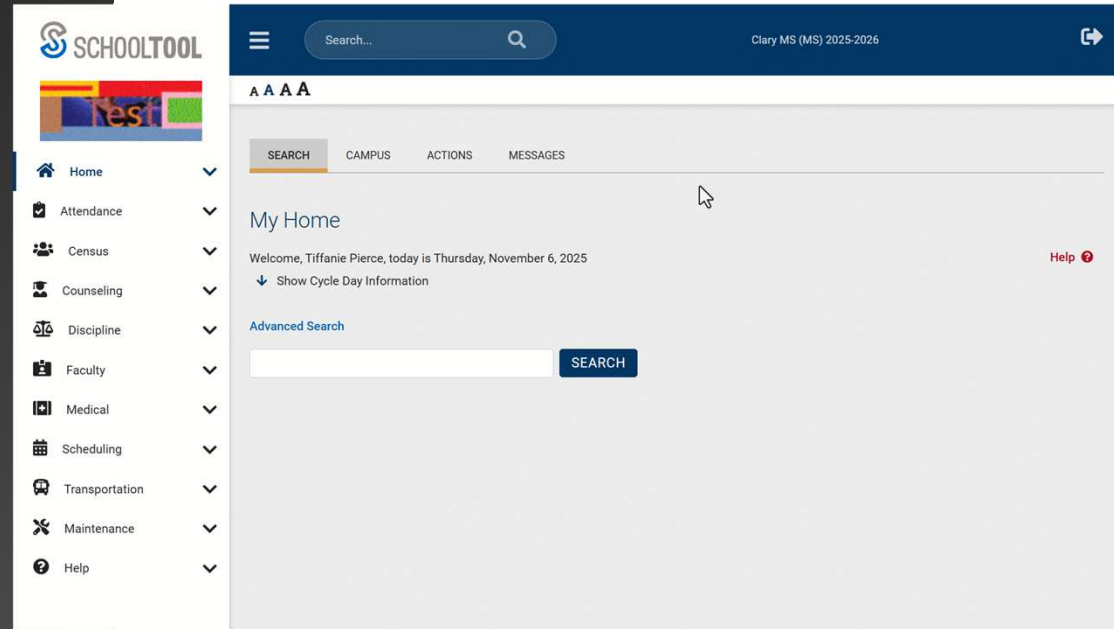

ST: BOCES - For Online Registration, what is the most important piece of functionality that we could add to the process that would assist the BOCES workflow?

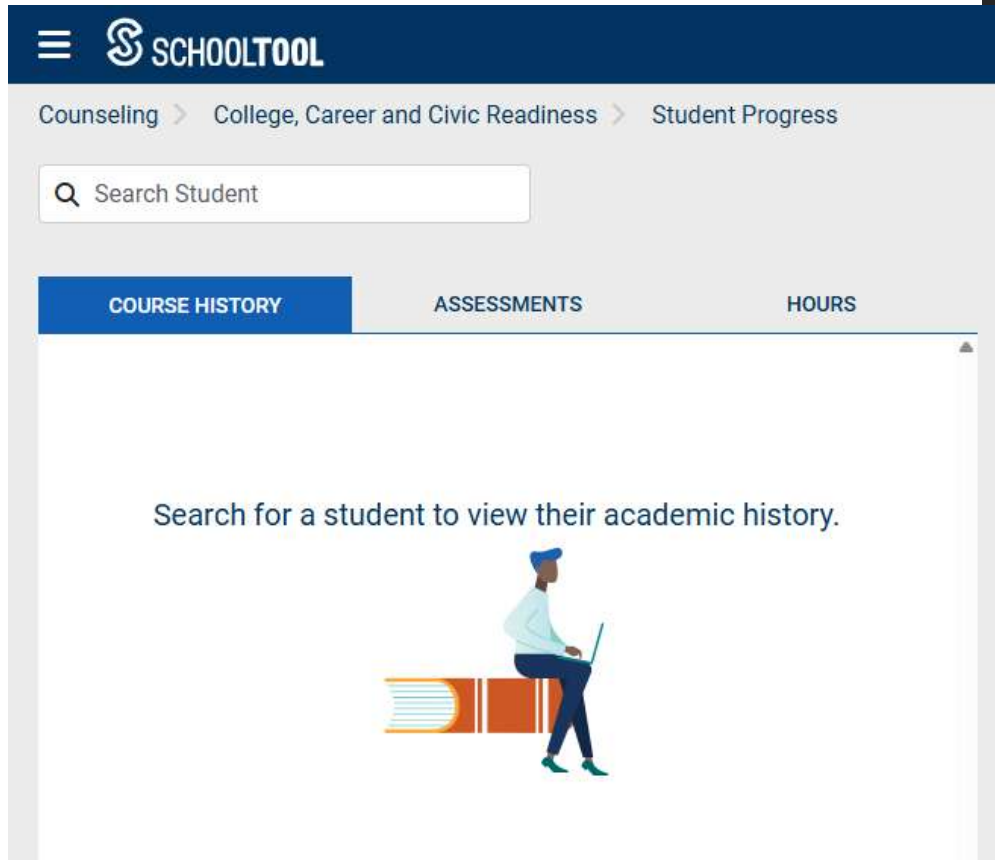

College, Career, and Civic Readiness

College, Career, and Civic Readiness

Phase 1 – Currently Underway

- Currently available on CAT sites and will also be made available for districts participating in the Career, College, and Civic Readiness Pilot Program.
- We encourage you to experiment with the new functionality on CAT sites but **ask that you refrain from creating official guidance or instructing districts on how to utilize these new tools.**

Phase 2 and Beyond

- Phase 1 is just the tip of the iceberg, there is much more coming down the pipeline
- The New York State Education Department is still working on their requirements
- While we wait on guidance from NYS, we are continuing to take feedback from our users on other aspects they want

ST: BOCES - When it comes to College, Career, and Civic Readiness tracking when the students attend a BOCES program and traditional secondary schools, how would you prefer the data is tracked?

ST: BOCES - While we are waiting for New York State's guidelines on exactly what should be tracked for CCCR, is there any specific information that you would like to add to be tracked?

ST: BOCES - If you are comfortable with your name and email being attached to your answers, please list them here so that we may contact you in the future for more details!
