Enhanced Online Registration for Parents

Parents – Phase 1 – Released to Beta

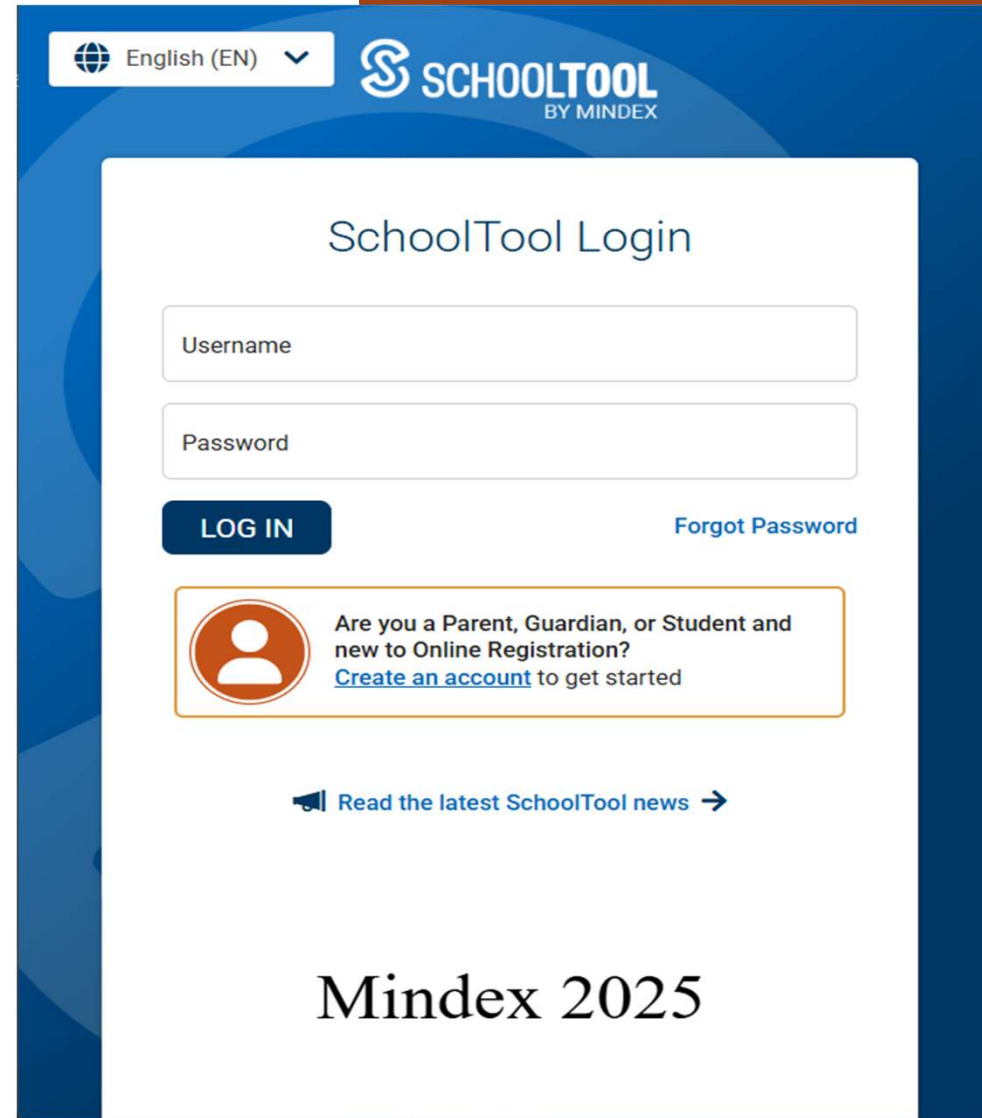

- Automatic Account Creation
- Multi Language Support
- AWS Location lookup
- Forms applied to multiple students
- Consistent across Desktop + Mobile

What do we mean by Beta?

- Small group of high use districts
- Test drive prior to wider release
- Goal of ironing out kinks and identifying further improvements

Automatic Account Creation

- Parent enters email address
- Sent Verification Code
- Local Account User
 - SMS_OnlineRegistration group
- Password rules follow setup options set by your district

The screenshot shows the SchoolTool login interface. At the top, there is a language selector set to 'English (EN)' and the 'SCHOOLTOOL BY MINDEX' logo. The main heading is 'SchoolTool Login'. Below this are two input fields: 'Username' and 'Password'. A dark blue 'LOG IN' button is positioned below the password field, with a blue link for 'Forgot Password' to its right. A registration prompt box contains an orange person icon, the text 'Are you a Parent, Guardian, or Student and new to Online Registration?', and a blue link 'Create an account' followed by 'to get started'. At the bottom of the form area, there is a speaker icon and a link 'Read the latest SchoolTool news' with a right-pointing arrow. The footer of the page displays 'Mindex 2025'.

Multi Language Support

Online Registration Users set preferred language

- Selected language is remembered
- Current session is dynamically translated
- Translation will apply to full Parent experience later this year
- Uses AWS AI to dynamically translate content
- Secure as data is NOT sent outside of our infrastructure
- Usage data is NOT even passed back to AWS for service improvement

The screenshot displays the SchoolTool web application interface. At the top, a dark blue header bar contains a menu icon, the SchoolTool logo, and a user profile for Danielle Bonanni. Below the header, the 'Students' section lists three users. Each user entry includes a circular profile picture with initials, the user's name, their registration grade, incoming school year, and a status indicator. Shae Nakagawa and Brian Nakagawa are marked as 'INCOMPLETE' with a red status bar and a message about missing required information as of 2/26/2026. Linda Nakagawa is shown with a 'Registration Grade: 10' and 'Incoming School Year: 2026-2027'.
