CTE INFORMATION | LOCATED IN SECTION 7

AUTOMOTIVE/COLLISION/DIESEL

Does your child love tinkering with cars or have a natural talent for fixing things? Our Collision Repair, Automotive and Diesel Technology programs give students the opportunity to put those skills to the test in a dynamic, hands-on learning environment.

AVAILABLE AT: IRVING/NIMITZ/MACARTHUR

CULINARY/HOSPITALITY

Empower your child to turn their passion for hospitality and cooking into real-world skills. Students gain hands-on experience with culinary techniques and professional-level service in an engaging learning environment.

AVAILABLE AT: IRVING/NIMITZ/MACARTHUR

HEALTH SCIENCE

Launch your child's future in healthcare through our School of Health Science. Students build a strong foundation in patient care and medical billing while developing practical skills such as blood pressure monitoring and dental care.

AVAILABLE AT: SINGLEY ACADEMY

ENGINEERING DESIGN

Is your child passionate about the environment and interested in the design, development and application of machines? This program integrates engineering principles with environmental science to create an innovative and forward-thinking career pathway.

AVAILABLE AT: NIMITZ HIGH SCHOOL

COSMETOLOGY

From celebrity stylists and makeup artists to successful salon owners, careers in cosmetology begin with our School of Cosmetology. This pathway provides students with the education and training needed to become a certified cosmetologist.

AVAILABLE AT: IRVING/NIMITZ/MACARTHUR

VERIZON INTERACTIVE LEARNING SCHOOL

Don't miss the opportunity to give your child a one-of-a-kind experience in our Verizon Innovation Labs located at middle and high school campuses across the district. The goal is to provide fun, hands-on and experiential learning experiences through technologies, such as augmented and virtual reality (AV/VR) equipment, 3D printers, robotics and artificial intelligence (AI).

AVAILABLE AT: IRVING/CARDWELL

AVIATION/DRONE ENGINEERING

If your child is an aviation enthusiast, the Aviation and Drone Engineering program offers an ideal pathway. Through real-world experiences, advanced flight simulations and hands-on drone design and construction, students engage in an exciting and innovative learning environment.

AVAILABLE AT: IRVING HIGH SCHOOL

BIOMEDICAL SCIENCE

From advancing cancer research to solving criminal cases through DNA analysis, this pathway introduces students to the power of science in real-world applications. Ideal for critical thinkers who enjoy problem-solving, it provides a strong foundation to jumpstart a future career in scientific fields.

AVAILABLE AT: IRVING HIGH SCHOOL

BUSINESS/MARKETING

Does your child have an entrepreneurial mindset? If so, this is the perfect pathway to explore careers in the industries of business and marketing.

AVAILABLE AT: IRVING/NIMITZ/MACARTHUR

AGRICULTURAL SCIENCE (VET AND PLANT)

From plant science to veterinary science, this program is ideal for students with aspirations in fields such as landscaping, ranching or veterinary medicine.

AVAILABLE AT: NIMITZ HIGH SCHOOL

AUDIO VISUAL PRODUCTION

Lights, cameras, action! This pathway introduces students to the art of filmmaking and broadcasting.

AVAILABLE AT: IRVING/NIMITZ/MACARTHUR

ROBOTIC ENGINEERING

Does your child have a passion for technology and robotics? This pathway offers instruction in cybersecurity and robotics while also building essential skills in computer networking and system maintenance.

AVAILABLE AT: SINGLEY ACADEMY

COMPUTER SCIENCE

Does your child have an interest in emerging technology? Do they enjoy problem-solving and creative thinking? Look no further - computer science is the place for them! This course covers topics such as problem solving, programming, physical computing, user-centered design, data, artificial intelligence and machine learning.

AVAILABLE AT: IRVING/NIMITZ/MACARTHUR

WELDING/CONSTRUCTION

Help your child "build" their future career in the School of Architecture, Construction, and Civil Engineering. Students explore career tracks like welding, construction management and more!

AVAILABLE AT: MACARTHUR HIGH SCHOOL

EDUCATION

Calling all future educators! Get ready to put your passion of working with young people into practice by gaining hands-on teaching experience at elementary and middle schools.

AVAILABLE AT: NIMITZ HIGH SCHOOL

LEGAL SERVICES/CRIMINAL JUSTICE

Experience the thrill of TV shows like "Law and Order" and "9-1-1," but in real life! Pave the way for your future attorney, police officer or homeland security expert.

AVAILABLE AT: SINGLEY ACADEMY

REAL ESTATE

SOLD! Is your child interested in becoming a licensed real estate agent upon high school graduation? This pathway equips your child with a comprehensive overview of the fundamentals of real estate finance and development from a legal and managerial perspective.

AVAILABLE AT: MACARTHUR HIGH SCHOOL

ARCHITECTURE

Are you ready to shape the world around you? This program introduces students to the dynamic fields of architecture, civil engineering, and design, helping them develop the skills needed to plan, create, and build the communities of the future while preparing for high-demand, high-wage careers in the built environment.

AVAILABLE AT: NIMITZ HIGH SCHOOL

MARINE JROTC

The Marine JROTC focuses on developing leadership skills among students. Cadets participate in physical fitness exercises, team-building activities and classroom lessons on military history, values and principles.

AVAILABLE AT: IRVING HIGH SCHOOL

NAVY JROTC

The Navy JROTC is a nationally award winning program that promotes personal discipline, teamwork and respect for others, while also preparing students for success in both military and civilian careers.

AVAILABLE AT: NIMITZ HIGH SCHOOL

ARMY JROTC

The Army JROTC program at the high school level focuses on developing leadership, character and citizenship in students. Cadets participate in drills, community service projects and extracurricular activities, all of which help build a strong sense of pride and commitment to their school and community.

AVAILABLE AT: MACARTHUR HIGH SCHOOL

FITNESS COURT

Check out the Outdoor Fitness Court, the first launched by a school district in Texas. This outdoor gym is built for full-body workouts with a free app that provides guided workouts and wellness programs. Best of all, it is available for the entire Irving community to use and enjoy. Try the stations and get moving! There will be demonstrations, activities and plenty of ways to participate.

REGISTRATION HUB

Kick off your child's journey to excellence for the 2026-2027 school year with guided support! Receive in-person support from dedicated district staff to make registration easy and exciting. Remember, some documentation may be needed to complete the process, and wait times can vary.

THANK YOU SPONSORS AND VENDORS!

Thank you to our sponsors, vendors, volunteers, performers, staff and community members for the time and care you continue to pour into Irving ISD. Every effort - big or small - helps strengthen our schools, support our families and most importantly, inspire our students. We are grateful for the role you play in our community!
