ANNUAL CROTON GIRLS' RELAYS

- April 25, 2026 -

50th ANNUAL CROTON GIRLS' RELAYS

A Short History 2026

**A LONG
LONG
TIME AGO
(1973)**

**IN A GALAXY
FAR
FAR AWAY
(Croton-On-Hudson, NY)**

Girls Track & Field was still in its early stages, and opportunities for major multi-team competitions were limited.

At the time, the boys traveled to Philadelphia for the Penn Relays. Recognizing the need for a comparable opportunity for girls, Lucia LaForgia—a Croton native and chair of the Croton Recreation Department—organized a meet for local girls' teams on the very same day.

In its early years, approximately 15 teams participated under the leadership of the Croton Recreation Department. Later, Frank Arcuri helped bring the Varsity Club into the effort. Eventually, the Croton Booster Club assumed leadership, and today we proudly celebrate the 50th edition of this remarkable event.

Many of the young women who competed—both from Croton and visiting schools—went on to become state record holders, state champions, collegiate champions, physicians, teachers, school administrators, coaches, business leaders, community advocates, and, above all, extraordinary women.

Way to go, Girls!
