I appreciate my teacher  
First Miss Stewart is kind. Miss  
Stewart gives us new crayons  
if ours are broken or old. Miss  
Stewart helps us spell words if  
we don't know how to spell it.

Second, Miss Stewart is fun.  
Miss Stewart buys brain tools  
with her own money. Miss Stewart  
buys us books for our class  
library.

Third, Miss Stewart loves us.  
Miss Stewart buys smencils  
for us as prizes. Miss Stewart  
says kind and caring things if  
we are sad.
