The Board recognizes the need for insurance coverage for unforeseen accidents that may occur to students in the course of attendance at school or participation in the athletic and extracurricular programs of the schools.

Authority

The Board shall require parents/guardians of students who participate in an interscholastic sport, cheerleader program, band program and designated extracurricular programs to purchase the student accident insurance available through the school district or provide proof of comparable insurance, prior to the student's participation.

The Board shall provide, at no cost to the Board, parents/guardians the opportunity to purchase insurance coverage for students for accidents that occur while traveling to and from school, during school hours, during any activity sponsored by the school or during any activity round-the-clock.

The Board shall maintain insurance coverage by a qualified insurer over and above the first responsibility of family coverage at no cost to the student for injury resulting from accidents sustained while participating in an interscholastic program of varsity football.[\[1\]](#)
