SIC Meeting Agenda
April 21, 2026

Reflections

Celebrations:

- Raiders Shine Bright Night was a success! We definitely want to do this again next year!
- 7th Grade Flag Football finished the season undefeated
- 6th grade Science Quiz Bowl- students and teachers working hard to prepare for SC Ready Science- great job Ms. Hart, Ms. Hutzel, and Mr. Jenkins
- Growth on Spring MAP testing- students are showing they are getting prepared for SC Ready

Tweaks: if we as a school see something is not working well, we take a pause, reassess, and refigure the logistics.

- Dismissal procedures have been strengthened and are showing success.
