Fannin Family,

Happy National Volunteer Week!

From reading with students to supporting classrooms, mentoring, and showing up in a big way at events like the Back to School Bash, our volunteers serve Fannin County School System in countless meaningful ways.

Their time and dedication create a lasting impact on our students. A helping hand, a friendly smile, and a caring presence truly make a difference.

We are so grateful for our community of volunteers and the many ways they invest in student success across our school system. Thank you.

We Are Fannin!
