Title: Payroll Deductions
Section: Finances

The Joint Committee may, at its discretion, act on behalf of individual employees to deduct a specified amount from the employee's paycheck and remit an equal amount to an agent designated by the employee as stated in education association contract. It is the purpose of this policy to designate those purposes not otherwise mandated by law for which the Joint Committee is willing to act on behalf of the employee.

No deduction may be made from the wages of an employee except for federal or state income tax, PA unemployment, county tax, municipal or school taxes, social security and School Employees' Retirement Fund without proper authorization by the employee or otherwise as required by law. The Joint Committee authorizes deductions from an employee's paycheck upon proper authorization on the appropriate school form.
