CONSENT TO SHARE CHILD NUTRITION PROGRAM ELIGIBILITY INFORMATION

Students that qualify for free or reduced meals are eligible to have certain fees reduced or waived. If your student is already qualified for free and reduced meals for the 2025-2026 school year, please complete this consent to share form in order to have fees waived. Please keep in mind that you must consent to share every school year. Unlike free and reduced meals, there is no carryover period from prior years consent. A new free and reduced application/ consent to share must be completed prior to waiving any extracurricular fees for the new school year.

If your student is not currently qualified for free and reduced meals but you believe that you are eligible, please complete a free and reduced application at www.myschoolapps.com.
