RFP 27-011 Unemployment Compensation Insurance

Addendum #1

We are issuing this addendum to address the following:

- 1) Are you looking for a vendor to pay the UI benefits to TWC on your behalf (fully-funded model)? That wasn't listed on the scope of work, but I know that the TASB usually handles that for their clients **Fully-Funded Model Preferred**
- 2) Can you confirm how many UI claims you normally receive in a year? Based on the TASB reports provided, it appears that you receive approximately 7-10 a year, but that seems incredibly low for a school district of your size. Plus, these reports show the benefits paid to claimants, not those that file but aren't eligible. Also, how many hearings do you typically have in a year?
Please see page 2
- 3) Would you accept E&O in the amount of \$1M instead of \$2M? Each UI claim in TX has roughly \$15K maximum benefits, so \$1M is more than enough insurance for our line of work. **Yes, we would accept Errors & Omissions (E&O) coverage in the amount of \$1M instead of \$2M. Given that each unemployment insurance (UI) claim in Texas has an approximate maximum benefit of \$15,000, \$1M in coverage is sufficient for this scope of work. However, if necessary, please be open to upgrading the coverage limit if needed.**

Please sign, date, and submit this addendum with your proposal response. Also, email a copy of page 2 of this addendum to reynaldo.cantu@stisd.net to confirm your acknowledgment. We look forward to hearing from you.

Thank you.
