

Cuero ISD Non-Congregate

Summer Feeding Procedures

1. Registration is required for non-congregate meal pickup. Pre-registration is recommended to validate parent/guardian proof. All participants must have proof of parent or guardianship. Registration may be done by Google form or printable form. Households may register at time of pick up, please have proof of guardianship.

Preferred methods of proof of guardianship include:

- Official Letter/email from a school listing the children enrolled at any school campus.
 - Individual report cards
 - Attendance record from the parent portal of the school website
 - Birth certificate
2. Once registration has been validated, a placard will be issued for parent pickup. Parent may assign another adult to pickup meals by providing a letter giving an adult permission or filling out the needed information on registration form. Please visit Cuero ISD webpage for more information.
 3. All children 18 years and under will be eligible for meal pickup, they do not have to be students enrolled at Cuero ISD. Students enrolled at CISD will not need to provide additional documentation.
 4. Meals will be picked up to take home.
