Denton Elementary School Student/Teacher/Parent or Guardian Compact

The State Board of Education and the Davidson County Board of Education have adopted policies requiring students to meet state and local standards for promotion. At Denton Elementary School, we believe a child's success in school requires a partnership between the student, parent/guardian, teacher, and support staff. Each member of the team has a role to play in helping each child succeed. It is important that each person on the team upholds his/her responsibilities in order to achieve this success. Please review the chart below that outlines some of the responsibilities each partner has in fulfilling his/her commitment to this child's success.

As your principal, I am committed to providing a safe and orderly environment that contributes to learning. I will support teachers in their efforts to teach all students. Parent involvement is essential as we work to give your student the best education possible.

Thank you, Jordon Peters
