## Scarborough Education Foundation April Updates

### Are You Ready to Celebrate Scarborough's Class of 2026?

With graduation for the Scarborough Class of 2026 just around the corner, the excitement is building across the community. From yard signs and balloons to celebration messages and other spring events, these traditions are made possible through the support of dedicated community members. Sign-ups are below, and if you're interested in getting involved, there are plenty of ways to help make this a meaningful and memorable season for our seniors.

### Friendly Reminder for Class of 2026 Senior Families:

Please be sure to submit your student's information when requests are shared. Due to FERPA regulations, the school is unable to provide student names or home addresses to SEF. This means we rely entirely on families to share this information—without it, we may not be able to include your senior in certain celebrations and recognitions.

Please submit your senior's details here: <https://bit.ly/ScarboroughClassof2026>.

### Volunteer Opportunities:

Deliver Senior Yard Sign: <https://bit.ly/SeniorYardSignDelivery>

Deliver Senior Messages + Balloons: <https://bit.ly/VolunteerMessageBalloonDelivery>

### Interested in getting involved with SEF?

We're always excited to welcome new community members to our board! The commitment is manageable - we meet once a month (second Tuesday) and support grants, fundraising, and community initiatives that benefit Scarborough students and educators.

Curious to learn more? We'd love to connect. Email us at [info@sefmaine.org](mailto:info@sefmaine.org) to join an upcoming meeting.

## FY27 Budget Calendar

As you may have read in our Wednesday communication, The Town Council has asked all town and school departments to work toward a targeted mil rate increase of approximately 2% to help keep tax impacts manageable. Meeting this target will require a reduction of \$3.65 million from the current proposed 2027 combined town budget. Of that amount, \$2.19 million would come from the school budget, with the remaining \$1.46 million coming from other town departments.

A reduction of this magnitude will affect our ability to maintain current service levels. These discussions are challenging, as they involve potential impacts across several important areas, including staffing, programming, and student opportunities.

As these budget conversations continue, public participation plays an important role in helping local officials understand community priorities as we work together to navigate difficult choices. Upcoming meeting dates are listed below and additional budget information is available on the [school department's website](#).
