We ARE Mill Valley!
Achievement—Responsibility—Empowerment

New to the district?

Welcome! We are excited that you will be joining the Jaguar Family!

Some important information:

- May 1st is the first day you may contact the Counseling Office to schedule your enrollment appointment for the 2026-27 school year.
- Appointments will be scheduled through the counseling office and will be held after graduation.

You will need to provide the following documentation:

- Birth Certificate
- Proof of Residency (ex. Mortgage statement or lease/rental agreement. You may also need to provide a current utility bill)
- Immunization records
- Any data you may have from your current school that would assist in determining course placement is welcome (transcripts, test scores, etc.). Mill Valley will request official transcripts from the sending school.
- All course selection information can be found on the MVHS Counseling Website for you to review prior to your appointment. Students will select courses at that time, there is no form to fill out in advance.
- Students planning to enroll in honors courses should check the MVHS Counseling Website at the end of the school year to access any possible summer assignments.
