

LAUNCH OF A NEW SCHOLARSHIP OPPORTUNITY

**COSI
ACHIEVE**

■ SCHOLARSHIPS ■ SUPPORT ■ SUCCESS

COLORADO
Colorado Opportunity
Scholarship Initiative

The COSI ACHIEVE Scholarship is designed to increase the attainment of postsecondary credentials and degrees for underserved learners in Colorado. To improve accessibility to postsecondary programs, ACHIEVE supports holistic support service programs that help prepare learners for postsecondary education and support them through to completion.

This scholarship seeks students from Pueblo County who are First Generation Freshmen seeking a 4-year degree at a Colorado Public Institution of Higher Learning. We are looking for C+ to B+ students with a cumulative GPA between 2.5 and 3.5.

Scholars selected for this scholarship are required to participate in a 4 year cohort that will fund up to \$12,000 (\$3000/Year). Workshops, Activities, Social Events, and Career Planning are built into the cohort programming and required participation is necessary to maintain the scholarship funding. Our goal is your goal: stay committed to your education until graduation.

**\$12,000
Scholarship**

\$3000 a year for 4 years
