PAYMENT INFORMATION

* Checks should be made payable to BHMSD. Delinquent accounts of 10 days or more will result in suspension of service.

*If school is delayed, the \$5 am fee will change to a \$10 delay fee.

*If school is closed and your child is not picked up by 10am, then a full day fee will be charged.

PreK Childcare Payment is due to Bluffton-Harrison MSD in advance of services.

Payments are made as part of the Preschool monthly enrollment.

- Payment for K-6 Childcare is due to **Bluffton-Harrison MSD by Monday at 8:00 a.m.** You may choose to pay by the day, week, or month, either before or immediately after using childcare services.

Please note that if payment is not received within 10 days, childcare services will be suspended until the account balance is paid in full (\$0).

Be sure your cash or check is placed in an envelope clearly marked “Childcare.”

- All Student Payment Information

- If a student is not picked up by 6:00 p.m., a fee of \$5.00/15 minute interval will be charged to the account beginning at 6:01 p.m.
- If a child has not been picked up by 6pm, we will begin contacting all available individuals listed on the child’s emergency contact form. If we are unable to reach a parent, guardian, or authorized pickup person, and no communication or alternative arrangements have been made by 6:05 PM, we will contact the local police department for assistance to ensure the child’s safety.
- If you have any questions about fees or payments, please contact Jaci Moser at jmoser@bhmsd.org.

- Tiger Tots (Infant/Toddler) Childcare Payment Information

You may choose to pay by the day, week, or month either before or immediately after using childcare services. Please note that if payment is not received within 10 days, childcare services will be suspended until the account balance is paid in full (\$0). CALENDAR

Dates of Service for Childcare.

With the exception of the Tiger Tots (Infant/Toddler) Program, the BHMSD childcare program will be an open, year-round program with limited closures for staff in-service training and holidays. Please see the attached 2026-2027 calendar of dates. **The Tiger Tots (Infant/Toddler) Childcare Program will operate on the teacher work day calendar only.**

When BHMSD schools are closed or delayed due to road conditions, fog, or other emergencies, childcare **WILL** be available for enrolled BHMSD childcare students and for the Tiger Tots (infant/toddler) program.

- Make sure to pack a lunch for your child for when school is closed, as lunch options will not be provided by BHMSD on school cancellation days.
- In the event of a Wells County Level 3 Travel Advisory, BHMSD childcare will close.

CHILDCARE HANDBOOK - DISCIPLINE POLICY - PreK-grade 6 Program

Goal

The goal of the Bluffton-Harrison MSD childcare discipline policy is to provide a positive environment where students are expected and encouraged to respect others, the property of others, and themselves. Our policy is driven by the belief that the purpose of education is to prepare our students for life, and exercising self-control is a key ingredient to a successful future.

Definition

Discipline involves the establishment of guidelines for acceptable student behavior. These guidelines encourage students to use self-control in following the procedures that have been established. It also includes administering appropriate consequences to students when they choose not to follow procedures and giving encouragement to students when they do follow procedures.

Student Responsibilities

Student conduct is expected to reflect respect and consideration for the personal and property rights of others, as well as an understanding of the need for cooperation with all members of the school community. Specific student responsibilities include, but are not limited to:

1. Accepting responsibility for one's behavior.
2. Demonstrating a positive attitude by following the directions of teachers and staff members.
3. Respecting the rights and personal property of others.
4. Respecting the authority of all childcare personnel.
5. Helping to maintain the facility.
6. Following the lifelong guidelines and life skills.

Consequences

Childcare employees may find it necessary to discipline students when their behavior interferes with the safety of anyone in attendance. Any of the following consequences may be utilized dependent upon the severity of the behavior:

- A discussion of the behavior with the child to redirect the behavior in an appropriate manner.
- A brief time away from normal activities or a specific activity (5 - 15 minutes).
- Time away from normal activities or a specific activity for a day.
- An in-program detention.
- A suspension from childcare.
- Removal from the childcare program.

As per BHMSD School Board Policy JQ-R: Written behavioral guidelines shall be established and/or approved by the school and provided to the parent(s)/guardians(s) when the child is enrolled in the childcare program.

Staff members of the childcare program shall be responsible for supervising and monitoring each child's behavior and reporting any problems to the parent(s)/guardians(s). If behavioral problems are persistent or severe, the child may be terminated from the program. Parents must be notified of the child's dismissal from the childcare program.

Communication

Bluffton-Harrison MSD believes that a cooperative effort must exist between childcare providers and parents in providing the best possible care for children. Communication is a key component in making this working relationship effective. Therefore, when questions arise, please feel free to call the childcare director for an appointment. You may also email the childcare director anytime at jmoser@bhmsd.org.

Parent Drop-off/Pick-up Procedures for Childcare

We will be using door 11 for pick up and drop off for Childcare. You will need to download parent square on your phone then let me know when it's downloaded. Then I will add you to our childcare parent square group where you will comment on the weekly post when you are there for pick up or drop off at door 11. For the complete BHES student handbook, visit the district website at www.bhmsd.org.

See Appendix for Tiger Tots (Infant/Toddler) Childcare Drop-Off/Pick Up Procedures.

Childcare Communication Procedures

BHMSD childcare can be contacted at **260-353-1724**.

ParentSquare will remain our **primary method of communication**. However, if ParentSquare is temporarily down or unavailable, families may call the childcare phone to reach staff directly. Please note that staff will only respond to ParentSquare messages and phone calls made to the childcare phone. **Text messages to the childcare phone will not receive a response.**

BHMSD Childcare Program Healthcare Statement

The Bluffton-Harrison Metropolitan School District (BHMSD) Childcare Program will make every attempt to provide trained healthcare personnel for medical emergencies outside of the school's calendar days (E.g., Parent/Teacher Conference Days, Fall Break, Christmas Break, Spring Break, Summer Vacation, and other days identified by Bluffton-Harrison M.S.D.). In the case that no personnel can be provided and emergency situations arise, the BHES staff will immediately call emergency personnel (911) and notify parents of any emergency situations as soon as possible. Expenses encumbered from emergency measures will be assumed by the parent/guardian. Parent/guardian(s) of children with diabetes or complex care requirements will

coordinate with staff an appropriate plan regarding medication administration, emergency supplies, and procedural and/or treatment needs.

BHMSD PreK-grade 6 Childcare Program **Service Charges**

The BHMSD Childcare Program will work with families to meet the needs of all students. Parents will be charged the typical fee for the general needs of their child at childcare. These fees include a snack. Additionally, the BHMSD Childcare does participate in the Summer Free Lunch Program held at BHES which provides a free lunch for all children of the Bluffton-Harrison school community.

Adult Support

Students who have significant special education services during the school day are welcome to attend BHMSD childcare. If a student's needs require an instructional assistant to be with the student during the school day to ensure their health, safety, and emotional needs, the childcare director will initiate an Individual Childcare Plan (ICP) evaluation followed by a parent meeting. The ICP will allow the director to determine if staff will be required during the course of the student's stay at childcare. If additional staff is needed to ensure safety and well-being of the child, a service charge not to exceed the cost of the additional services will be added to each session attended as agreed upon in the ICP for that child. The ICP form is included in the handbook. The evaluation will take place over several days and a meeting will be held prior to additional charges being assessed. If the parent is in agreement to the terms of the ICP, the additional charges will be started at that time. If the parent does not agree with the terms of the ICP, the child will not be able to attend the BHMSD Childcare Program. It is our goal that all students receive the support needed to be successful in the childcare setting.

Medical Treatments

There are times when a student does not need continual adult support throughout a childcare session, but medical treatment may require that the childcare worker is away from their regular duties for more than five minutes. Examples might include: tube feeding, catheterization, etc. In these cases, an ICP will not be initiated, but the parent will incur a charge as additional staff will be required to allow the childcare worker to meet the medical needs of the child. If the child has a medical condition that requires a registered nurse to be PRN (on-call), a service charge not to exceed the cost for PRN services will be added to each session attended for that child as agreed upon in the ICP for that child.

BHMSD Childcare does not have a nurse on staff before or after school, or on non-school days. If your child requires medical care that our staff is not certified to provide, we will not be able to offer childcare services during those times.

If we have the capability of 1:1 assistant for your child's needs, then the following fee schedule would apply as outlined below:

1:1 Childcare Option	Hours of Operation	Cost
<p style="text-align: center;">K-6 School in Session</p>	<p style="text-align: center;">Before School: 6:00am-7:40am After School: 3:00pm-6:00pm</p>	<p style="text-align: center;">Before: \$5 per child/per day and an additional \$25 After: \$8 per child/per day and an additional \$25</p>

Individual Childcare Plan (ICP)

Name of Child _____

Birthdate of Child _____

Current Grade of Child _____

Please answer the following questions:

1. Does the child have an IEP during the school day that requires additional adult assistance throughout the day? YES or NO
2. Does the adult assistance relate to the health/safety/emotional needs of the child? YES or NO
3. Is the adult assistance during the school day extensive, meaning more than in a small group setting, but requiring 1:1 support for the child? YES or NO

If the answers to the three questions indicate the need for support of an adult during childcare sessions, we will complete an evaluation of the student in the childcare setting. This evaluation will include:

1. Observation of the child during the school day
2. Observation of the child during childcare
3. Parent interview to discuss the needs of the child including any medical needs
4. Teacher interview to understand the needs of the child
5. School nurse interview to understand the health needs of the child

After these things are completed, a meeting will be held to review the results and recommendations for childcare services. If the services include adding staff to the BHMSD childcare program, the parent will be notified and charges will be assessed.

Charges include:

Additional adult support during childcare: \$ _____

OR

Registered Nurse PRN on-call during childcare sessions: \$ _____

*If an ICP is in effect, advanced notice of attendance will be required for the child to attend childcare to allow for adequate staffing.

Appendix

Tiger Tots (Infant/Toddler) Childcare Handbook

Bluffton-Harrison MSD is committed to providing high quality care in our infant/toddler childcare program. This program adheres to the basic guidelines of the PreK-grade 6 program with additional elements outlined in this Appendix.

Hours of Operation

BHMSD Tiger Tots (Infant/Toddler) Program will operate from 7:00-4:00 M-F on teacher work days only.

Infant/Toddler Drop-Off/Pick-Up Information

Parents of infants/toddlers must park near the Childcare Center and bring their child into the building. Parents will also need to park and come into the Center to pick up their child.

Reporting Communicable Disease and Illnesses

The BHMSD Childcare Program is part of the Bluffton-Harrison Elementary School and will follow guidelines provided about illnesses in the Bluffton-Harrison Elementary School Student Handbook(p.19) modified for the childcare program.

Children with the following symptoms should remain home from childcare to prevent the spread of illness: a temperature higher than 100 degrees, continued discomfort, a suspicious rash, a constant cough, or red, irritated eyes with drainage. If a child becomes ill at school, the parent will be notified.

Additionally, the following steps will be taken in the report of a communicable disease:

- Staff who suspect a child may have a communicable disease shall notify the childcare director and the director will notify the child's parent or guardian.
- If more than one child in the child care center has been diagnosed with a communicable disease, the director shall:
 - Notify all parents of the children and all staff members that have been exposed by giving a personal note to each parent and staff member.
 - Notify the school nurse who acts as the child care center's health consultant.

BHMSD Childcare will make every effort to control the spread of communicable diseases and shall establish written health policies and precautions directed to this end. Whenever exposure to disease has occurred in the child care center, control measures shall be implemented as follows:

- Disinfection of toilet facilities, furnishings, toys, or other articles that may have been used by a person with a communicable disease.
- The disposal of bodily discharge containing infectious material in a manner that would protect handlers from the contact with material.
- The center shall follow the Child Care Communicable Disease Chart, available from the division for appropriate management of suspected illness.

Any infant/toddler who becomes ill during the day shall be immediately isolated from the other children. Parents will be notified to arrange pick-up for their child.

Children’s Medication Records and Administration

The BHMSD Childcare Program follows the same medication guidelines set forth in the BHES Student Handbook(p.19):

All medication brought to school must be in the original labeled container and accompanied by a parental consent form. Consent forms and the school medication policy are available from the child care director or on the district website under the “student health” section.

The BHMSD Childcare Staff will complete the Dispensing of Medication Form which includes:

- The child’s name
- The name of the medication
- The dosage given
- The date and time given
- The full name of caregivers who administered the medication

Caregivers shall administer only the specified medication as directed on the label of the medication or as specified by the physician to the child. Parent permission forms for administering medication must be on file. Medication that does not require refrigeration shall be kept locked in a cabinet and medication that needs refrigerated is in a marked refrigerator labeled for individual children.

Emergency Information File

Parents of all infants/toddlers must complete an Emergency Contact Information Sheet from page 10 of this document. This form is kept on file for all children and staff in the Infant/Toddler Childcare Program.

Tiger Tots (Infant/Toddler) Child/Staff Ratio

BHMSD follows the FSSA guidelines for child/staff ratio in our Infant/Toddler program. This ratio will be maintained during all hours of operation. All children shall be under the direct supervision of a responsible caregiver at all times. The maximum number of children in the infant/toddler program is 10.

Adults	Infant/Toddlers
1	1 - 5
2	6 - 10

Pets

No pets are permissible in the Childcare Center.

Playground and Outdoor Safety

BHMSD utilizes the “Handbook for Public Playground Safety” as guidance for playground assembly and installation staying in strict accordance with the manufacturer’s specifications. Infants/Toddlers will only be allowed on the assigned playground space designed specifically for the infant/toddler program. Staff will interact with children and all children will be visible at

all times. The playground area is safely enclosed, fenced, and protected from traffic with no dangerous equipment accessible to children.

Tiger Tots (Infants/Toddlers) Feeding Practices and Special Diets

The BHMSD Tiger Tots (Infant/Toddler) program will require parents to supply all food/snacks adhering to their child's own special dietary needs.

BHMSD Tiger Tots (Infant/Toddler) Childcare Staff shall hold infants while feeding them bottles. The Infant/Toddler Childcare Program has a refrigerator for child food supply. If a day's supply of bottles is prepared at one time, each bottle shall be covered and labeled with the child's name, date, and time poured. Staff shall discard any formula remaining in a bottle after a feeding.

If a parent is supplying filled bottles, they must:

- Label the bottle with the child's name and date prepared.

Parents must sterilize bottles at home as this is not completed at the Childcare Center. BHMSD supports mothers who are breast feeding offering a private space as needed.

The following guidelines are used related to solid foods for infants:

- Caregivers may serve food from jars or from a separate serving dish using a separate jar or serving dish for each infant.
- If caregivers feed children from jars, they shall discard any leftovers in the jars.
- If caregivers feed from a serving dish, leftovers are discarded.
- Food is cut up in small pieces no larger than ¼ cube.

The BHMSD Tiger Tots (Infant/Toddler) Childcare Program has appropriate height and size chairs for toddlers including high chairs or feeding tables as appropriate. Caregivers shall always use safety belts for securing the children in high chairs and feeding tables. Food is cut up in no larger than ½ inch cubes.

Child Hygiene

Children in the Tiger Tots (Infant/Toddler) Childcare Program will be well-cared for including:

- washing hands before and after meals
- washing hands after using the toilet facilities
- Wet or soiled clothing/diapers will be changed promptly

Parents are asked to supply a clean change of clothing for all children in the childcare program.

Diapering will be completed using the diapering surface exclusively. A soft sanitizable pad on the diaper table will be utilized with a clean strip of waterproof, disposable paper covering the entire pad. Caregivers will place a new, waterproof paper strip on the pad after each diaper change. Diaper wipes will be used for individual washing of a child and are immediately accessible in the childcare center.

Poisons, Chemicals, and Hazardous Items (Electrical Safety)

BHMSD will have no thermal hazards in the space occupied by children in the Tiger Tots (Infant/Toddler) Childcare Program. Any necessary cleaning supplies will be kept in a locked cabinet away from children. Additionally no extension cords are used in the childcare center. All electrical outlets are covered and the only fans are ceiling fans out of the reach of children.

Tiger Tots (Infant/Toddler) Equipment: General

Equipment and play materials shall be durable and free from characteristics that may be hazardous or injurious to infants and toddlers including:

- No sharp edges
- No rough edges
- No Toxic paint
- No objects small enough for children to swallow

Additionally BHMSD Childcare will adhere to the following standards:

- All articles that are used by infants or toddlers shall be sanitizable and sanitized daily and whenever soiled
- All articles an infant chew on shall be sanitized after each child's use
- Caregivers shall not attach pacifiers, if used, near or around the child's neck.
- A sink is available in the childcare space.

Safe Sleep Practices

The BHMSD Tiger Tots (Infant/Toddler) Childcare Staff complete the training course on safe sleeping practices provided by FSSA.

- Cribs are sanitized as necessary and at least daily.
- All bedding is changed immediately when wet or soiled and otherwise once each day.

Staff Qualifications

The BHMSD Tiger Tots (Infant/Toddler) Childcare Staff complete the CPR course and First Aid and keep their license current. The BHMSD Infant/Toddler Childcare Staff completes the required National Criminal History Background Check which includes fingerprints.
