WELCOME 2026 TO YMCA DAY CAMP!

CAMP BEGINS: JUNE 8TH
(Varies by location)

CAMP ENDS: AUGUST 28TH
(Varies by location)

The recipe for a wonderful childhood includes adventure, learning, safety, friends, and fun! The Kettle Moraine YMCA uses these components to design our annual camp program. Camp will help your children grow as individuals by nurturing their sense of belonging as they meet new people and develop lifelong friendships. We are constantly adding more opportunities for campers to exercise their math and reading skills along with implementing our social emotional learning curriculum.

Our staff aims to create an exciting, adventurous atmosphere, so all our campers have the best summer ever! Before your child arrives at camp, our team receives extensive 40 hours of training in behavioral guidance, CPR, AED, First Aid, and much more.

Our camps' engaging activities will draw your child in, but the relationships built are why they will want to return year after year. We look forward to making new memories with your camper this summer!

At YMCA Day Camp, we are "The Summer You'll Never Forget Place!"

Sincerely,

Jason Heuer

PAYMENT/REGISTRATION POLICIES & PROCEDURES

FINANCIAL ASSISTANCE

WISCONSIN SHARES

Wisconsin Shares is a Child Care Subsidy Program that authorizes funding for a parent to pay a portion of camp fees by using their MyWICildcare EBT card. On the 1st of each month, funds will be loaded onto the MyWICildCare EBT card and must be processed by the parent for payment to the YMCA by the 5th of the month, after which the YMCA Day Camp office will be able to inform the parent of the remaining balance owed for that month. The remaining parent share will be divided into three equal installments, which will be bank drafted on the 2nd, 3rd, and 4th Mondays of the month. Childcare authorizations must be in place and current before the camper can attend camp.

ANNUAL CAMPAIGN SCHOLARSHIP

The Y has a financial assistance program that awards a percentage off of YMCA Day Camp to qualifying families based on income. To qualify for a scholarship, families must first apply for Wisconsin Shares. Please note that childcare/day camp scholarships are different than membership scholarships.

CAMPERS WITH ADDITIONAL NEEDS

We work hard to include everyone we can at camp because of the great things it can do for all. However, some parents like to know about limitations and other things that may not make it the right fit. Our structure can encourage loud voices, so it gets noisy sometimes. We keep everyone busy, which means lots of transitions! If a parent is unsure, please reach out, as we are happy to discuss our camp structure, a typical day, counselor-to-camper ratios, and your child's needs to see if our camp is a good fit. We cannot accommodate 1-on-1 needs, physicality towards staff or other campers, running out of range of supervision, or causing any safety concerns. If these types of behaviors occur, the Y reserves the right to end enrollment.

CAMP REGISTRATION INFORMATION

Review pricing on page 12. Campers **MUST** be members prior to registering to receive member pricing. If they are not, and you'd like to sign them up for a membership, be sure to reach out to the Welcome Desk to do so before registering for our YMCA Day Camp!

1. Go to www.kmymca.org/daycamp/ to review the information and our YMCA Day Camp Brochure.
2. When you are ready to register, click "Register Online" in the upper-right corner of the web page.
3. Go to our program registration page, and find the **YMCA DAY CAMP (BY LOCATION) OR MINI EXPLORERS LOCATION** where you would like to register your camper at.
4. Once selected, begin looking through and selecting what camp types and weeks you would like to register your camper for. You may want to register for a few different options, be sure to start with one. Once you have the weeks selected for that one option, select **"REGISTER SELECTED."**
5. It will now ask you to log in (unless you are already logged into our site for other program registrations. If this is the case, you can skip these steps as it will not ask you to log in).

Please note the question at the top of the page:
"Which best describes you?"

a. If you know your camper's membership/participant email and password, log in. Use the login information you have used to register for YMCA classes or Schools Out Day during the 2025-2026 school year (this would be the same credentials as registering for camp last year or for Before and After School programs).

b. If you do not know the login information for your camper's profile, or your attempt in the previous step fails, click the "I don't know my credentials" option. It will ask you to enter information and verify the email that we have on file.

i. Once you get into the system, it may ask you to select a membership type if you do not have a membership. If you are not interested in signing up for a membership, please select the "non-member" option, and proceed.

c. If your camper has never enrolled in any of the Kettle Moraine YMCA programs or classes and has never been a member, you can select "I have never been a member or participant and I want to create a new account."

i. Enter the required information for your camper, and select a membership type. If you are not interested in registering for a membership, please select the "non-member" option.

6. Once you are logged in, proceed with registration! Continue selecting the weeks and camp options your camper would like to attend.

a. Please be aware that your camper can only attend **ONE OPTION/CAMP TYPE EACH WEEK.**

b. You can register your camper for one option or multiple options throughout the summer, just not in the same week.

i. To do this, if registering for multiple camp types throughout the summer (1 per week!). Please make a note of which weeks you select within a particular option and select "register selected."

*If registering for Traditional Camp, select days of the week for the selected weeks. If your camper will have the same schedule for all Traditional Camp weeks, you can select the days, and it will auto-fill them in for every week.

*If your camper has a varying schedule, select **"USE CALENDAR"** to pick which days they will be attending throughout the summer in Traditional Camp. If you notice that a particular week is saying it is full, remove it from your cart and try again for that week only using the calendar option to see which days are full.

ii. It will then have you answer all of our required questions and sign our consent forms.

iii. On the next page, review and select **"ADD TO CART."**

iv. Return to the program page and repeat step 6 to add in weeks from a different camp option to your cart if applicable.

*Note that to avoid reentering your answers, select use previous answers" to bring the questions back up.

v. Go to your cart and **REVIEW.**

***MAKE SURE THERE ARE NO OVERLAPPING DATES.**

vi. Once you have all of the weeks you would like in your cart, checkout and complete the billing information.

vii. After completing registration, you will receive a confirmation email.

TIPS FOR REGISTRATION

- Look through the options in the brochure and pick everything out ahead of time with your camper.
- We highly recommend using a computer rather than a phone to complete registration.
- If you want to do different options throughout the summer, make a note of what you select while you are in the process of registering to prevent selecting multiple camps in the same week.
- **ONLY REGISTER FOR ONE OPTION EVERY WEEK! If you register for more than one camp, you will be paying double for that week!**
- Pay attention to age requirements for each camp type!
- Think of it like you are shopping on Amazon! Add the camps you want to your cart, and check out what you've selected.
- If you have login in or profile questions, call the Welcome Desk. If you have camp-registration specific questions, contact the Day Camp Department.
- Get pumped up for some serious fun this summer!

MINI EXPLORERS

Must be 4 years old as of 9/1/25 through entering Kindergarten.

This camp provides a smaller setting for our youngest campers. Our staff creates a positive and caring learning environment where children can make new friends, achieve new successes, and have their first camp experience. The program includes many camp traditions, such as camp circle, theme days, and more.

Daily activities are designed to meet your youngster's social, emotional, and physical needs, including arts, science, literacy, games, and outdoor play. Activities provide hands-on fun, while children have the opportunity to be active and learn new skills while reinforcing lessons learned throughout the year.

Prices differ from those of the
