1. **Please do NOT schedule** doctor's appointments, dental appointments, family outings or vacations, or other out-of-school functions during our testing days. Student attendance and focus during this time are critical to their success. Parent notes will not be accepted on state testing dates.
2. **Review the electronic device policy.** Students are **NOT permitted** to have any electronic devices in their possession during testing, including cell phones, smart watches, bluetooth earbuds, or any other connected devices.
