Meet your photographer

I'm so glad you're here-- I'm Tori.

Senior year is a big deal. You've worked hard to get to this moment, and you deserve photos that feel like *you*: confident, comfortable, and fully yourself.

And for the parents reading this: I know this season is equal parts exciting and emotional. One minute you're shopping for prom outfits, and the next you're looking at graduation announcements. My goal is to create images you love today-- and still reach for years from now.

From outfits to posing to location, I'll guide you through it all so the experience feels easy. Let's make this fun *and* meaningful-- the kind of photos that don't end up lost in a camera roll.

Senior families are saying...

"Tori was amazing! We hired her for senior portraits. She made my daughter feel comfortable and paid attention to the details-- turning her head, adjusting her hair, and directing her in a kind and thoughtful way that made her feel special. The results: a relaxed, stress-free portrait session that captured my daughter's personality, style, and smile. I contacted her last-minute and we were able to schedule a time that worked for us all and we were able to get photos submitted to the yearbook just in time. I'm hoping to book again with Tori in the spring for family portraits and have been recommending her to family, friends, and Facebook mom groups. Thank you, Tori!"

"Tori did a great job with my daughter's senior pictures! I really appreciated her suggestions for location, and ability to help my shy daughter feel comfortable during the session. The pictures turned out amazing-- I would absolutely work with Tori again!"
