* If you are required to take Reading based on the district progression chart, one or both of your electives could be changed.

Students: *Please be sure that you only list courses that you are genuinely interested in taking. Please select your courses carefully because you will not be able to change a class that you have listed on your course selection sheet.*

My child and I have reviewed the District and teacher recommendations, discussed the available options, and selected the courses we believe are most appropriate. I approve these course selections and understand that they apply to the entire 2026–2027 school year and are subject to change based on availability.
