

Monadnock Regional School District

Policy Committee Charter

Board Last Approved: 4/21/2026

The purpose of the Policy Committee is to develop and support the following initiatives:

1. To conduct regular reviews of MRSD policies to ensure that they:
 - a. Align with the district's overarching mission, vision, and strategic goals
 - b. Honor State and Federal laws
 - c. Cover all topics for which the Administration would be seeking guidance
2. To routinely review the New Hampshire School Board Association bulletins and recommend updates or adoption of policies to the full board accordingly.
3. Review, research, and make recommendations on requests for policy change from administration, committees, board members, and other community members.
