

# Dual Language, Multilingual (ML), and Newcomer Programming

## Program Locations

The diagram below illustrates the Dual Language, Multilingual, and Newcomer programming locations aligned with the 2026–2027 Right Size Enrollment Rebalancing Initiative.

### Dual Language

Students receive instruction in both English and a partner language, developing bilingualism and biliteracy through integrated content learning.

### Newcomer

Newcomer students participate in both Dual Language and ML programming to build foundational English skills and acculturation while accessing grade-level instruction. Non-Spanish-speaking newcomers receive ML support within the general education classroom.

### Multilingual (ML) Classroom Support

English language support is provided within the general education classroom, with a specialist assisting students during core instruction.
