Title: School Calendar
Section: Operations

The Joint Committee recognizes that the preparation of a calendar is necessary for the efficient operation of EASTERN.

The Joint Committee shall determine annually the days when EASTERN shall be in session for instructional purposes in accordance with state law.

The Director shall be responsible for preparing an annual calendar for consideration and review by the school's Administrative Advisory Committee. The calendar shall be developed in concert with the participating districts in an attempt to ensure that each district is provided 181 days of membership at the technical school. The calendar, as recommended by the Administrative Advisory Committee, shall be presented to the Joint Committee for their approval at their regular February meeting.

The Joint Committee reserves the right to revise the school calendar when such revision is in the best interests of the school.
