Policy Number: J111
Title: Transportation
Section: Operations

Transportation for students is provided in accordance with the following guidelines:

It shall be the responsibility of each participating school district to provide transportation for the students to and from EASTERN at regularly scheduled hours. The school bus driver shall be responsible to the sending school principal for the discipline of students while being transported to and from EASTERN. EASTERN will provide for the transportation of students on field trips and other activities sponsored by the school. The Supervisor of Career and Technical Education shall be responsible to the sending school principal for the discipline of students while being transported to and from EASTERN.
