Policy Number: J106
Title: Field Trips
Section: Operations

Field trips that are planned as an integral part of the instructional program are permitted and encouraged.

It shall be the responsibility of the Director to review all requests for student field trips. He/she shall ascertain that proposals are of educational value and directly related to stated course objectives.

The Director shall be authorized to administer a program of field trips which is within the budgetary parameters approved by the Joint Committee.

Chaperones and students shall adhere to all school policies and regulations during the course of the trip as if they are on school property.

Field trips may not be discriminatory within course selection nor in participation of students; each student should have the same opportunity while enrolled at EASTERN.
