

BOARD MEETING HIGHLIGHTS

ANCHORAGE INDEPENDENT SCHOOL DISTRICT

April 22, 2026

The Board welcomed new (and returning) staff members: Eddie Muns, Finance Officer; Jack Bosley, District Technology Director; and Deanna Taylor, District Generalist.

On Wednesday, the Board heard APTA, American Fidelity, G. Scott & Associates Architects, facilities, superintendent, school and financial reports. American Fidelity shared a proposal of new ways to utilize the districts' annual investment in staff benefits to potentially better serve the staff. Mr. Craig Aossey of G. Scott & Associates Architects shared progress updates on the priority tasks he has been charged with by the Board. His firm has been investigating roofing replacements, electrical service updates, and the feasibility for adding accessibility features around the campus. Aossey shared the results of the roof bid opening with the Board.

Finance officer, Mr. Eddie Muns, was appointed as the Board Treasurer. Principal Wallingford shared the spring MAP results. APS students continue to outperform their national peers with high achievement scores and we celebrate the student growth measured across our grade levels this school year! Ms. Wallingford and her committee carefully reviewed High Quality Instructional Resources for middle school math, provided opportunities for parent input, and shared their recommendation for adoption: [EdGems Middle School Math](#).

On consent, the Board approved expenditures and salaries; bond of the treasurer; prior meeting minutes; Lightspeed and STEP Management technology contracts; a MOA with University of the Cumberlands for student teaching; staff holiday schedule; and a donation for automatic door

openers at the top of the ramp at the front of the school. The Board voted to continue to participate in the Emergency Non-Certified School Personnel Program and approved offering an optional trip for middle schoolers with Ms. Gomez to Spain in spring of 2028. The board appointed a new audit firm for the FY26 fiscal year, aligning with recommended practice to change firms on a five-year cycle. Maintenance substitute and innovation lab teacher job descriptions were revised/adopted. The 2026-27 District Technology Plan and innovation lab pay apps were also approved.

The revised 2025-26 school calendar was approved, modifying the end of this school year for students as follows:

- **Friday, May 29 - 8th grade graduation and student dismissal at 12:00pm**
- **Monday, June 1 - student dismissal at 3:00pm**
- **Tuesday, June 2 - last day of school with student dismissal at 12:00pm**

The Board accepted the base bid and alternates 1, 2, 3, and 4 from Highlands Roofing for clay tile and flat roof replacements in areas of need on our buildings. This represents the first major step in our Operational Excellence by Design strategic plan pillar focusing on facility improvements.

The next monthly Board Meeting is scheduled for Thursday, May 21, 2026 at 6:00 p.m in the library. Please contact Superintendent Sharla Six if you have any questions or for more specific details please see the [monthly board minutes](#).

Congratulations to Superintendent Six on her Capstone Presentation culminating her year-long induction program for first-year superintendents. KASA's comprehensive onboarding process provides deeper knowledge, broader skill sets, and practical leadership tools aligned with the seven effectiveness standards for superintendents.

Ms. Six is shown with her mentor, Dr. Sheri Satterly, Superintendent of Franklin Independent Schools.

Thank you,
Anchorage Independent School District Board of Education
Hannah Barnes (Chair)
Kayce Deutsch (Vice Chair)
